

BabyBloom Changing Scale

Changing mat and weighing scale in one

BabyBloom
Healthcare

THE MEDICAL BABY SCALE AND CHANGING MAT IN ONE

- Changing, dressing and weighing the baby on one single surface
- Reduces infant stress: no transfer between changing mat and scale
- Clothing and diapers can stay on the mat during weighing

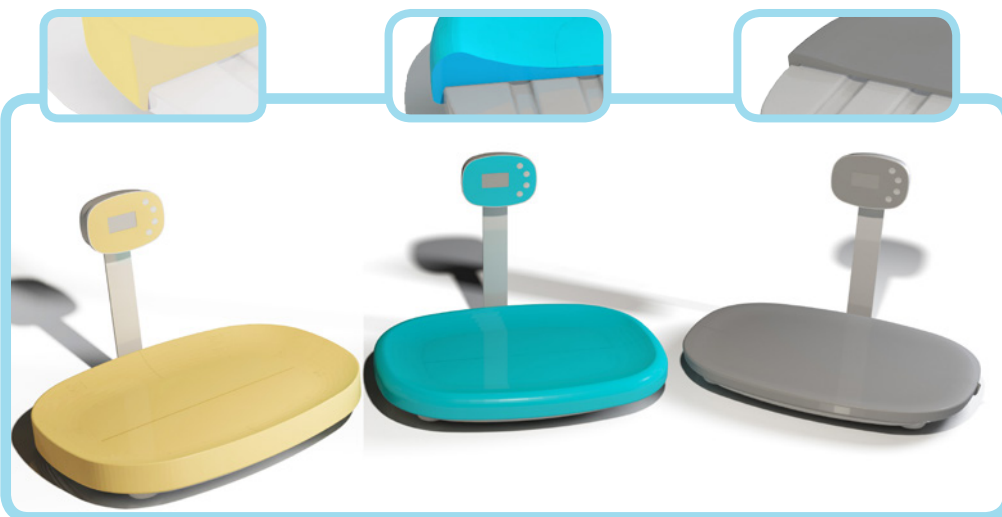

Easy to use display can be mounted separately or attached to the scale

Removable, hygienic top for easy cleaning and disinfecting

Floating table-top design

Choose a colour and shape of top mat

- Stores up to 10 previous measurements
- Monitors breastfeeding intake with dedicated function
- Designed for conformity to EN 45501 standard, Class III
- Operates on batteries, no mounting needed
